OFFICE OF THE REVENUE COMMISSIONER IN MYSORE,

*Bangalore*, 14th April *1924*.

No. D.3 of 23-24.

From

R. Chandy, Esquire, B.A.,

*Revenue Commissioner in Mysore.*

To

K.V. Anantaraman, Esq., B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department, Bangalore.

SIR,

With reference to your letter No.451/Dis. dated 31st January 1924 directing that the Amildars and Sub Division Officers should do the check measurements between them, I have the honour to forward herewith copy of letter No. O.C.1840/22-23 dated 2nd April 1924 from the Deputy Commissioner, Tumkur District, explaining the delay caused in submitting all the work bills to him by the Amildars and requesting that the Sub Division Officers may in order to avoid delay be authorised to sanction them as a special case until the present distress ceases.

In the circumstances, I request that Government may be pleased to sanction the Deputy Commissioner's recommendation.

I have the honour to be,

Sir,

Your most obedient servant,

Assistant Commissioner,
for Revenue Commissioner,
(absent from station).

VRR/-

Copy of letter No. O.C.1840/22-23 dated 2nd April 1924 from the Deputy Commissioner, Tumkur District, to the Revenue Commissioner in Mysore, Bangalore.

---

I have the honour to state that the instructions issued by the Comptroller in his circular No.1 R.D. dated 13th December 1923, re. incurring expenditure on Distress works to be carried out by the Revenue Agency, such as Village Improvements, temporary wells works etc., are that the expenditure is to be met out of the imprest granted to all the Amildars in the District, the imprest however being recouped when 2/3rd of it is expended, the total expenditure being debitable against the special grants according as it is a final charge or advance.

2. The present practice is that the Amildars submit all the work bills to this office for sanction and incur expenditure from imprest only after they are sanctioned. As this procedure generally causes much delay and also inconvenience in making daily payments of wages to the coolies, it was agreed on all hands at the recent Distress meetings that there was urgent necessity of revising the present procedure. Under the circumstances I think it desirable that the Sub Division Officers themselves may be empowered to sanction work bills, and I therefore recommend the sanction of the same, as a special case, until the present distress ceases, the imprest recoupment bills, however being scrutinised and countersigned by me. I request the favour of early orders in the matter.
